

## IN SENATE OF THE UNITED STATES,

NOVEMBER 29, 1820.

The Committee to whom was referred the Constitution of the state of Missouri,

## REPORT:

That they have had the same under consideration, and, by reference to the law of Congress, passed on the sixth day of March, one thousand eight hundred and twenty, entitled "An act to authorize the people of the Missouri territory to form a constitution and state government, and for the admission of such state into the Union, on an equal footing with the original states, and to prohibit slavery in certain territories;" the committee find that the conditions prescribed in the said act have been complied with, and that the said Constitution is Republican.

The committee respectfully recommend the adoption of the following resolution:

*Resolved, by the Senate and House of Representatives of the United States of America in Congress assembled, That the state of Missouri shall be, and is hereby declared, one of the United States of America, and is admitted into the Union on an equal footing with the original states in all respects whatever.*
